

Employee Handbook

Work From Home Policy

Employees may work from home up to 2 days per week with manager approval. Employees must remain available during normal working hours and attend required meetings.

Internet Reimbursement

Eligible employees can claim internet reimbursement up to 1000 rupees per month. Employees must submit the internet bill along with the reimbursement request.

Office Attendance

Employees are expected to work from the office on the remaining working days unless a different arrangement has been approved by their manager.
